## PROCUREMENT POLICY

**SECTION 1. PURPOSE AND AUTHORITY** The purpose of this document is to outline the procurement policy (the "Policy") of the Dutchess County-Poughkeepsie Land Bank Corporation (the "Land Bank") applicable to the procurement of goods and services paid for by the Land Bank for its own use and benefit in accordance with New York Public Authorities Law §2824(1)(d). This Policy is intended to assure the prudent and economic use of the Land Bank's funds, to facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances and to guard against favoritism, improvidence, extravagance, fraud and corruption.

The Dutchess County-Poughkeepsie Land Bank's ultimate goal is the revival of vacant properties and the reversal of the economic damage caused by vacancy. The Land Bank also understands that the impact of its money in pursuit of this goal will be greatly increased by supporting economic activity and jobs surrounding the properties it works with. To support this economic activity the land bank will endeavor, within the bounds of financially responsible decisions, to hire individuals and businesses to work on Land Bank property who are located in or near the municipality in which a property is located, or businesses that hire primarily from those municipalities, to carry out property maintenance, demolition, rehab, and construction work.

Solely for the purpose of providing the opportunity for participation by certified businesses in the performance of MWBE Threshold Contracts, MWBE Threshold Contracts shall also include leases of real property by the Land bank to a lessee where: the terms of such leases provide for the construction, demolition, replacement, major repair or renovation of real property and improvements thereon by such lessee; and the cost of such construction, demolition, replacement, major repair or renovation of real property and improvements thereon shall exceed the sum of one hundred thousand dollars (\$100,000.00).

l) "**Women-Owned Business Enterprise**" shall have the same meaning herein as is set forth in Executive Law § 310(15).

**SECTION 3 DOCUMENTATION** Each action taken in connection with each procurement must be supported by documentation. When an award is made to other than the lowest responsible offeror, the determination to make the award must be supported by documentation that justifies the award and sets forth the reasons why the award furthers the purposes of this Policy.

**SECTION 4 INDIVIDUAL RESPONSIBLE FOR PURCHASING** The Executive Director of the Land Bank is responsible for purchasing goods and services on behalf of the Land Bank. In the absence of an Executive Director the Chairperson and/or the Treasurer assume this responsibility.

### **SECTION 5 PERSONAL SERVICE CONTRACTS**

a) **Use of Outside Contractors** The Land Bank may engage Outside Contractors to perform Personal Services only if the Executive Director has determined that it is appropriate to do so. In the absence of an Executive Director the Chairperson and/or the Treasurer assume this responsibility. In making such a determination, the following factors shall be considered:

- i. the amount of time likely to be required in performing the services;
- ii. the degree of special skill likely to be required in performing the services;
- iii. the availability of employees of the Land Bank possessing the skills needed to perform the services;
- iv. the likely expense of training employees of the Land Bank to perform the services, and the likely future benefits to the Land Bank of such training;
- v. the availability of Outside Contractors and the likely expense of using Outside Contractors;
- vi. the requirement that the services be rendered by an independent professional, as in the case of auditors' opinions or legal opinions;
- vii. the effect of use of Outside Contractors on other agreements and operations of the Land Bank;
- viii. the extent to which the Land Bank has successfully used Outside Contractors in the past for the services to be performed; and

# DUTCHESS COUNTY-POUGHKEEPSIE LAND BANK

## PROCUREMENT POLICY

ix. the need to assure that the Land Bank conducts its operations in the most effective and efficient manner.

b) **Selection of Outside Contractors** Selection of all outside contractors shall be made on a competitive basis, except where:

i. The total amount of the contract is not likely to exceed \$5,000;

ii. The Executive Director determines that (1) the need to obtain high quality services or services having unique or extraordinary features or time requirements substantially outweighs possible cost savings from selection on a competitive basis, or (2) the Land Bank has other cost control procedures to protect it from paying more for services than necessary; or

iii. The Board otherwise determines that competition would be inappropriate.

c) **Request for Proposals** Where selection is made on a competitive basis, the Executive Director shall request detailed proposals for at least three outside contractors known to have experience in the type of service to be performed. Where the total value of the contract is likely to exceed \$5,000, the proposals shall be in writing. Proposals shall be evaluated on the basis of all relevant factors such as the Outside Contractor's experience, reputation, technical qualifications, financial condition, past performance, size, quality and availability of staff, identity of supervisory personnel, possible conflicts of interest, proposed scope of work and proposed fee or commission.

No single factor shall necessarily be controlling, and the Outside Contractor submitting the proposal that is most favorable on an overall basis shall be selected, except that the Executive Director may reject any or all proposals if he or she considers such action in the best interests of the Land Bank.

d) **Board Approval** The following contracts for Personal Services shall require approval of the Board in advance by resolution and annual review by the Board:

i. Any contract involving Personal Services to be rendered over more than one year; and

ii. Any contract for Personal Services that is likely to result in total payment to the Outside Contractor in excess of \$15,000 per year and is not in the ordinary course of the Land Bank's business of maintaining, managing and operating the properties of the Land Bank.

### SECTION 6. GOODS AND OTHER SERVICES

a) **Method of Purchase** Selection of contracts for goods and services other than Personal Services shall be made only on a competitive basis except as otherwise set forth herein. The following method of purchase will be used when required by this Policy in order to achieve the highest quality and lowest cost:

#### **Estimated or Actual Value Method and Approvals Required**

**\$0 - \$5,000** The Executive Director, in his or her discretion, may enter into a contract on behalf of the Land Bank without obtaining quotations or the approval of the Board.

# DUTCHESS COUNTY-POUGHKEEPSIE LAND BANK

## PROCUREMENT POLICY

**\$5,001 - \$10,000** At least three written quotations will be obtained whenever possible. The Land Bank shall solicit such informal quotations utilizing sources most likely to identify the highest quality and lowest price of the good or service including, but certainly not limited to, newspaper and magazine advertisements, internet searches, catalogs, chamber of commerce recommendations and the prior experience of the Land Bank. The Land Bank shall create and maintain a written or digital record of the informal quotations solicited and received for such purchases. Any contract entered into by the Land Bank shall not need to be approved by resolution of the Board.

**More than \$10,000** At least three written quotations in response to a written request for proposals shall be required. Any contract entered into by the Land Bank shall be approved by resolution of the Board if greater than \$15,000.

**b) Number of Proposals or Quotations** A good faith effort shall be made to obtain the required number of proposals or quotations. If the Land Bank is unable to obtain the required number of proposals or quotations, the Land Bank will document the attempt made at obtaining the proposals. In no event shall the failure to obtain the proposals be a bar to the procurement of the good or service.

**c) Awarding Contracts** The award of a contract for goods or services other than Personal Services shall be made to the lowest priced responsible offeror which meets the Land Bank's Specifications. In assessing whether an offeror is responsible, the Land Bank should consider all relevant factors, such as the offeror's capacity and financial ability to complete the contract, past performance, experience, reliability, and integrity. Alternatively, the Land Bank may elect to award a contract based on "best value." "Best value" is defined for this purpose as a basis for awarding contracts to the offeror which optimizes quality, cost, and efficiency among responsive and responsible offerors. For purposes of best value, a responsive offeror is an offeror meeting the Land Bank's minimum specifications. In assessing best value, non-price factors may be considered. Such factors include, but are not limited to, the unique or outstanding qualifications of the offeror (including past experience with a particular issue or familiarity with Land Bank operations) and the reliability, efficiency of operation, difficulty/ease of maintenance, useful lifespan, and environmental impact of a product or practice, as applicable.

**d) Documentation.** Each action taken in connection with each method of procurement must be supported by documentation.

### SECTION 7 CIRCUMSTANCES WHERE SOLICITATION OF ALTERNATIVE PROPOSALS OR QUOTATIONS ARE NOT IN THE BEST INTEREST OF THE CORPORATION

a) The Land Bank is not required to solicit alternative proposals or quotations if the Executive Director or Chairman, in his or her sole discretion, determines that such solicitations are not in the best interests of the Land Bank. In the following circumstances, it may not be in the best interests of the Land Bank to solicit alternative proposals or quotations:

i. **Emergency Purchases** In the case of emergency, goods or services may be purchased immediately without competitive procedures. An emergency is an unanticipated occurrence beyond the control of the Land Bank that (1) threatens the life, health, safety

or welfare of any person; (2) threatens the continued use or function of any of the Land Bank's property; or (3) is likely to cause damage to the Land Bank's property if immediate action is not taken. This section does not preclude alternate proposals if time permits.

ii. **Sole Source** Where there is only one source available for the required goods or service, the contract may be awarded without competitive procedures.

iii. **Purchase of Second-Hand Goods** Purchase of surplus or second-hand goods from any source may be purchased without competitive procedures.

iv. **Experimental Projects** When the Land Bank wishes to test a new product or technology or evaluate a new source for a product or technology, the Land Bank may award a contract without competitive procedures, provided the contract is limited to the purchase of such goods or services that are necessary to conduct the experiment or test.

v. **Goods or Services Under \$5,000** The time and documentation required to purchase through this Policy may be more costly than the item itself and would therefore not be in the best interests of the Land Bank. In addition, it is not likely that such minimal contracts would be awarded based on favoritism.

vi. **Buy Local** Reasonable preference will be given to making purchases locally and regionally.

**SECTION 8. CONSTRUCTION CONTRACTS** Notwithstanding anything to the contrary herein, pursuant to the Not-for-Profit Corporation Law § 1617, the Land Bank shall not award any construction, demolition, renovation or reconstruction contract greater than \$10,000 except to the lowest bidder who, in its opinion, is qualified to perform the work required and who is responsible and reliable. The Land Bank may, however, reject any or all bids or waive any informality in a bid if it believes that the public interest will be promoted thereby. The Land Bank may reject any bid if, in its judgment, the business and technical organization, plant, resources, financial, standing, or experience of the bidder justifies such rejection in view of the work to be performed.

**SECTION 9. POLICY REVIEW** The Land Bank shall review this Policy annually, and any amendments must be approved by resolution of the Board.

### **SECTION 10. GENERAL REQUIREMENTS**

a) All Procurement Contracts in an actual or estimated amount of at least \$5,000 shall be in writing and shall be executed by such employee or officer of the Land Bank as authorized in the by-laws or as specific in a resolution of the board.

b) Regardless of the value of the Procurement Contract, any Procurement Contract involving services to be rendered over a period exceeding one year must be approved by resolution of the Board and reviewed annually by the Board.

c) The form of every Procurement Contract shall be approved by the Land Bank's counsel prior to execution.

d) Procurement Contracts which require contractors to perform services on premises owned or controlled by the Land Bank shall require proof of Workers' Compensation and proof of liability insurance naming the Land Bank as additional insured and shall provide that the contractor indemnifies the Land Bank for the negligent acts and omissions of the contractor's employees.

## PROCUREMENT POLICY

When appropriate and at the discretion of the Board, these contracts may further require the contractor to provide proof of environmental pollution insurance.

**SECTION 11. PROMOTION OF MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES** It is the goal of the Land Bank to award a fair share of Procurement Contracts to Minority-Owned Business Enterprises and Women-Owned Business Enterprises. It is also the Land Bank's goal to award Procurement Contracts to those procurement contractors who have evidenced compliance with the laws of the State of New York prohibiting discrimination in employment. The following procedures shall be followed:

- a) For all contracts for goods and services, bidders shall be encouraged to include with their bids or RFP responses separate proposals which would demonstrate how their selection will achieve the goals of this section 11.
- b) The Empire State Development Corporation maintains a list of certified Minority-Owned Business Enterprises and Women-Owned Business Enterprises by name an area of expertise, and each individual responsible for soliciting bids and proposals for the Land Bank shall rely on the Empire State Development's list, consult the list and contact appropriate Minority and Women-Owned Businesses to encourage them to submit bids or RFP responses.
- c) In selecting a bidder where a Minority-Owned Business Enterprise or Women-Owned Business Enterprise has been identified, due consideration shall be given to the goals of the Land Bank. d) Required Contract Provisions.

- i. As Required Pursuant to Executive Law § 312, all MWBE Threshold Contracts, all documents soliciting bids or proposals for MWBE Threshold Contracts, and every subcontract between the contractor of a MWBE Threshold Contract and its subcontractors for the MWBE Threshold Contract shall contain or make reference to the following provisions:

1. The contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. For purposes of this section, affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
2. At the request of the contracting agency, the contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein.
3. The contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the MWBE Threshold Contract, all qualified applicants will be afforded equal employment opportunities without

discrimination because of race, creed, color, national origin, sex, age, disability or marital status

Except that:

The provisions of this section 11(d)(i) shall not be binding upon contractors or subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate or distinct from the MWBE Threshold Contract as expressed by its terms, and they shall not apply to any employment outside this state or application for employment outside this state or solicitations or advertisements therefor, or any existing programs of affirmative action regarding employment outside this state and the effect of contract provisions required by this section shall be so limited; and

The Land Bank shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity and whether the imposition of the requirements of this section duplicate or conflict with any such law and if duplication or conflict exists, the Land Bank shall waive the applicability of this section to the extent of such duplication or conflict.

ii. As Required Pursuant to Executive Law § 313, MWBE Threshold Contracts for construction, demolition, major repair or renovation of real property and improvements thereon shall include provisions:

1. Requiring contractors to make a good faith effort to solicit active participation by enterprises identified in the directory of certified businesses provided to the Land Bank by the division of minority and women's business development In the New York State Department of Economic Development; and
2. Requiring the parties to agree as a condition of entering into the contract, to be bound by the provisions of New York State Executive Law § 316; and
3. Requiring the contractor to include the provisions set forth in (a) and (b) of this subdivision in every subcontract in a manner that the provisions will be binding upon each subcontractor as to work in connection with the MWBE Threshold Contract.

Except that:

The provisions of this section 11(d)(i)(2) shall not be binding upon contractors or subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate or distinct from the MWBE Threshold Contract as expressed by its terms; and  
The Land bank shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity and whether the imposition of the requirements of this section duplicate or conflict with any such law and if duplication or conflict exists, the Land Bank shall waive the applicability of this section to the extent of such duplication or conflict.

iii. As Required Pursuant to Executive Law § 316-A, the Land Bank shall include a provision in all MWBE Threshold Contracts providing that any contractor who willfully

and intentionally fails to comply with the minority and women-owned participation requirements of this article 15- A of the Executive Law as set forth in the MWBE Threshold Contract shall be liable to the Land Bank for liquidated or other appropriate damages and shall provide for other appropriate remedies on account of such breach as determined by the Land Bank's Counsel. Should the Land Bank choose to proceed against a contractor for breach of contract as provided for in this section, the Land Bank shall be precluded from seeking enforcement pursuant to Executive Law § 316.

e) **Copies to be provided** Pursuant to § 315(2) of the Executive Law, the Land Bank shall provide to all prospective bidders for a MWBE Threshold Contract, a current copy of the directory of certified businesses, and a copy of the regulations required pursuant to §§ 312 and 313 of the Executive Law at the time bids or proposals are solicited.

f) **Waivers** In compliance with Executive Law § 313(6), where it appears that a contractor cannot, after a good faith effort, comply with the minority and women-owned business enterprise participation requirements set forth in a particular MWBE Threshold Contract, a contractor may file a written application with the Land Bank requesting a partial or total waiver of such requirements setting forth the reasons for such contractor's inability to meet any or all of the participation requirements together with an explanation of the efforts undertaken by the contractor to obtain the required minority and women owned business enterprise participation. In implementing the provisions of this section, the contracting agency shall consider the number and types of minority and women-owned business enterprises located in the region in which the MWBE Threshold Contract is to be performed, the total dollar value of the MWBE Threshold Contract, the scope of work to be performed and the project size and term. If, based on such considerations, the contracting agency determines there is not a reasonable availability of contractors on the list of certified businesses to furnish services for the project, it shall issue a waiver of compliance to the contractor. In making such determination, the Land Bank shall first consider the availability of other business enterprises located in the region and shall thereafter consider the financial ability of Minority and Women-Owned Businesses located outside the region in which the contract is to be performed to perform the MWBE Threshold Contract.

g) **Monitoring** In compliance with Executive Law § 315(1), the Land Bank shall monitor MWBE Threshold Contracts under its jurisdiction, and recommend matters to the MWBE Division respecting noncompliance with the provisions of article 15-A of the Executive Law so that the MWBE Division may take such action as is appropriate to insure compliance with the provisions of article 15-A, the rules and regulations of the director of the MWBE Division issued pursuant to Article 15-A and the contractual provisions required pursuant to article 15-A.

h) **Reports** In compliance with Executive Law § 315(3) the Land Bank shall report to the director of the MWBE Division with respect to activities undertaken to promote employment of minority group members and women and promote and increase participation by certified businesses with respect to MWBE Threshold Contracts and subcontracts. Such reports shall be submitted periodically, but not less frequently than annually, as required by the director of the MWBE Division, and shall include such information as is necessary for the director to determine whether the contracting agency and contractor have complied with the purposes of article 15-A of the Executive Law, including, without limitation, a summary of all waivers of the requirements of

Executive law §§ 313 (6); 313(7) allowed by the contracting agency during the period covered by the report, including a description of the basis of the waiver request and the rationale for granting any such waiver. The Land Bank shall also include in such report whether or not it has been required to prepare a remedial plan, and, if so, the plan and the extent to which the Land Bank has complied with each element of the plan.

i) **Goals** In all MWBE Threshold Contract Procurements the Land Bank shall set MWBE goals for contracts made directly or indirectly to minority and women-owned business enterprises, in accordance with the findings of the 2010 disparity study, to attempt to achieve the following results with regard to total annual Procurement in regard to MWBE Threshold Contracts:
